Finance Deadlines
Friendly reminder that end of classroom non-consumable supplies (technology/equipment purchasing) must be made before January 31, 2021. With shipping delays currently, let's try to make those purchases before we leave for the Winter closure.

Online Licensing Reminders
Please remember that high school purchases for online licensing will need additional information to determine allowability - the cohort size and the pricing differential. As long as there is not an increase in price, the shared service is allowable for the 9th grade.

Marketing & Communications Files
Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

New items in the folder include GEAR UP Guarantee marketing materials, test date reminders, social media posts, GEAR UP services login flyers, and more!
