Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.
