Dual Enrollment: Excellent Source of Match!

We have some great news! All students enrolled in CCP courses are receiving free credits paid for by the state. These costs to cover the student’s enrollment in CCP are eligible to be captured as match, which can help us capture a large amount of match with minimal effort. This year, CCP match will be captured at the district level, and we will re-evaluate next year to determine if it should be captured differently once our CC partners will be eligible to capture services to high school students.

We would like all districts to submit this information to help us reach our match goals.

*Here is what you need to submit:*

1. A spreadsheet of all GU students enrolled in CCP courses and the courses they are taking (see below).

2. A letter from the community college showing the value of the costs covered by the state (see below).

As a reminder, we do allow you to go back in time to submit match documentation for previous years. Any questions can be directed to Tim Walker (walkerta@appstate.edu).

Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

New items in the folder include GEAR UP Guarantee marketing materials, test date reminders, social media posts, GEAR UP services login flyers, and more!
