MATCH GU2.0 - QUARTERLY SUBMISSION
For GU 2.0, all partners will submit match packets quarterly. Please submit your GU 2.0 match packets on the following quarterly schedule:
- Oct - Dec: Due Jan 15
- Jan - Mar: Due Apr 15
- Apr - June: Due Jul 15
- July - Sept: Due Oct 15

If your middle schools have done any GEAR UP work since October 2020, it is allowable to go back and capture the GU 2.0 match from October 1, 2020. This change to a quarterly match submission should help to improve efficiency. It is important that these packets be submitted on time in order for our grant to demonstrate adequate progress in capturing match.

Please contact Tim Walker if you have questions (walkerta@appstate.edu).

GU 1.0 DUAL ENROLLMENT MATCH DUE MARCH 15
As a reminder, all students who have enrolled in CCP courses (free of charge - since they are paid by the state) are eligible to capture these Dual Enrollment costs as match for GU 1.0.

This year, CCP match will be captured at the district level, and we will re-evaluate next year to determine if it should be captured differently once our IHE partners will be eligible to capture services to high school students. We would like all districts to submit this information by March 15th to help us reach our match goals.

Here is what you need to submit:
1. A spreadsheet of all GU students enrolled in CCP courses and the courses they are taking.
2. A letter from the community college showing the value of the costs covered by the state.

Any questions can be directed to Tim Walker (walkerta@appstate.edu).
March 19th  Deadline to Enter Services

In order to prepare for our upcoming APRs (we will be submitting 3 APRs by April 15th), please be sure all services for GU 1.0 and GU 2.0 are entered into Lyceum by March 15th. This will ensure we have enough time to analyze and put the data together for the APR before it is due.

In addition, please use the following new guidelines to consider any services from GY07 (GU 1.0) that you may have missed, and try to get those entered by March 19th as well. Please keep in mind going forward that what we offer students in GEAR UP should be designed around the framework of service delivery, rather than goods purchased.

Tutor.com is LIVE in the Middle Schools

Now that the welcome kits have arrived, it is time to initiate the Tutor.com kickoff in our middle schools for GU 2.0! We wanted to let you know that the students now have access to their accounts, and you can find digital resources to support your welcome kits materials at the GEAR UP website HERE. If you have any questions please reach out to Ally Bombet (allyson.Bombet@masteryprep.com) or Jonathan Carpenter (carpenterjd@appstate.edu).

Marketing & Communications Files

Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions. New items in the folder include GEAR UP Zoom backgrounds, test date reminders, social media posts, GEAR UP services login flyers, and more!
