Entering GU 2.0 Welcome Services in Lyceum

One of our first opportunities to input services into Lyceum for GU 2.0 is our welcome services (including the distribution of welcome kits) to 6th and 7th graders. Each district may have a slightly different plan for how new 6th and 7th graders will be welcomed into GEAR UP and how the kits will be distributed, so the following should serve as guidance for how to input those services into Lyceum.

**Audience:** Student  
**Title:** GU 101  
**Sub-type:** Most likely 'Large Group', but match the group size of your event.

*If presented in a synchronous classroom setting:*

**Duration:** Use the amount of time you directly presented to students  
**Modality:** Direct

*If presented as an asynchronous passive program:*

**Duration:** 5 minutes  
**Modality:** Virtual

For any welcome services completed on or before March 19th, please be sure these rosters are entered into Lyceum by March 19th so we can be sure they are captured in our upcoming APR.

Calculator Order Final Reminder

This month we need all final calculator orders for our 6th-8th math and science teachers. Please be sure to submit the number of teachers eligible as well as the preferred model of calculator by March 15th.

Please contact Doug Thompson (thompsondm2@appstate.edu) with any questions.
AIM Grants are Live

AIM grants are officially live and available for all participating GEAR UP middle schools. You can locate the information and associated documents on the GEAR UP website. Please remember that approval of the administration and GEAR UP coordinators is required prior to submission.

This is our first formal release of this process, so if there are any hiccups feel free to contact Doug Thompson (thompsondm2@appstate.edu) to resolve any questions or issues that may arise.

We are looking forward to some awesome projects and opportunities!

Marketing & Communications Files

Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

New items in the folder include GEAR UP Zoom backgrounds, test date reminders, social media posts, GEAR UP services login flyers, survey graphics, and more!
