July NCCEP Conference Update

For those who are planning for you or other team members to attend the NCCEP conference this summer, please see the updates below from NCCEP regarding the current status of the event.

- NCCEP will be delaying the opening of the conference registration process for several weeks until additional guidance from the District of Columbia is issued.
- We recommend that you refrain from booking your airfare or other travel arrangements until registration opens.
- We recommend that you refrain from booking your hotel rooms until registration opens. If you have already done so, please know that you have until July 16, 2020 to cancel your reservation without any financial penalty.
- If the Annual Conference does proceed, please know that NCCEP will be affording registrants additional cancellation and refund flexibilities, which will be detailed once registrations open.
CFNC has curated a gallery of FAFSA videos aimed at students and families. Please share these links with anyone who might benefit from the information provided.

Marketing & Communications Files
Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.
