NEW INFORMATION:  
PD Resources During COVID-19

While working remotely, many of us are wondering about the resources and opportunities available to continue our professional learning. Unfortunately, face to face professional development, conferences and traditional training opportunities have been cancelled or restricted due to COVID19.

That being said, the GEAR UP team would like to present our lists of online professional learning opportunities. These lists have been compiled into two categories targeting their intended audience; Academic and College Access. The majority of these opportunities are available for free and are flexible with respect to your time. Please take a look to see how they align with your interests and professional development plan.

You can also follow us on Twitter at @CAPatApp for more professional resources.

Marketing & Communications Files
Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

We are actively working to create additional 7th year programming materials to add to the folder.

Have Suggestions?
We love to hear your ideas! Do you have suggestions that will help us improve? At any time, please provide your feedback by clicking the button on the left. Thanks for taking the time to help us continuously grow and improve.
