Welcome, Denise Ward!

We are excited to welcome our newest Coordinator to the GEAR UP team! Denise Ward will take over the Madison County program upon the retirement of Tom Field. Denise has already jumped in and will be working with Tom through the remainder of August. You can contact her at dward@madisonk12.net.

Here's a little about Denise:

Denise moved to Madison County when she and her husband married more than twenty years ago. She grew up in Buncombe County so she spent her entire life in these beautiful mountains. She worked in Madison County Schools since 2013 in various roles including teaching and tutoring. She loves the community and the kids and wants to see them reach the potential she knows they have.

Welcome to the team, Denise! So glad to have you!

We look forward to seeing each of you next week at the QCM!

Marketing & Communications Files

Do you need anything in our [GEAR UP Resource Folder](#) personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

New items in the folder include GEAR UP Zoom backgrounds, test date reminders, social media posts, GEAR UP services login flyers, survey graphics, and more!
