NCCEP Resource for Coordinators

The Coordinator Learning Lab is a cohort-based professional development program for the GEAR UP community that offers a place for Coordinators to come together and explore the common challenges facing GEAR UP practitioners.

This program is for GEAR UP professionals who perform job functions similar to program development and implementation, provide direct services to students, implement and/or map student services, collect and manage data regarding student services and outcomes, and/or organize college awareness events.

The Coordinator Learning Lab will run from September 30, 2021 to December 2, 2021. Click the button below for more information!

New NCCEP Podcast

On the Ground, NCCEP’s first podcast, showcases the voices of coordinators and others in the GEAR UP community, as they explain the challenges and triumphs they experience every day. Our first episode features Julius Brownlee, a coordinator with GEAR UP at the University of Kansas. Download on Spotify and Apple Podcasts!
GEAR UP 1.0 End of Spending

With the close out of our GU 1.0 grants upon us, it is important that we prepare for the possibility of a No-Cost Extension (NCE) which requires us to have a very clear idea of what funds are remaining. In order to do that, we will need your help.

Please ensure that all July 2021 reimbursement packets are submitted by the August 15th deadline. After this date, all August and September reimbursement packets should only include salaries to implement any final services and for administering the close-out of the grant.

Marketing & Communications Files

Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

New items in the folder include GEAR UP Zoom backgrounds, test date reminders, social media posts, GEAR UP services login flyers, survey graphics, and more!

Have Suggestions?
