GEAR UP Guarantee

Appalachian State University is excited to continue the GEAR UP Guarantee program for our students. This program will continue until our Class of 2023 students graduate.

GEAR UP and Admissions are collaborating on marketing materials that will be distributed in late September. Admissions will send materials home to students, and materials will be available to schools to share with students and families. Learn more here.

College
Dream It. Plan It. Do It.
Empowering Teacher Learning

The Empowering Teacher Learning project is officially live and available for GEAR UP educators. Interested teachers can begin by visiting the site and working their way through the content. Coordinators should feel confident in sharing the website with interested parties so long as they are active members of the GEAR UP community. Any questions should be directed to Doug Thompson (thompsondm2@appstate.edu).

Click HERE to visit the ETL site and webpage for more information.

Demographic Data Files Due

Demographic data files are due by Sunday, September 6. If you have any questions about the files or information, contact Andrea Reubens (reubensac@appstate.edu).

This date is earlier than our regular monthly deadline of the 15th, and it will help us get the database set-up for the academic year ahead.

Appalachian Admissions Workshop

The Appalachian State admissions office is hosting a workshop on Wednesday, September 2, 2020 8:30 AM-12:30PM. The event is open to school staff, counselors, GEAR UP coordinators, CAC advisers, and career coaches.

Topics include updates for this upcoming academic year at Appalachian State University, information on scheduling virtual and on-campus visits, admission processes, and the many resources available to you and your students. You’ll also have the opportunity to network with your peers and engage in small group discussions.

There is no cost to attend. Register HERE.
Marketing & Communications Files

Do you need anything in our GEAR UP Resource Folder personalized? Do you want us to create something similar in your district? We can tweak any resource to fit the needs of your district, and we encourage you to brainstorm any ideas of how our resources can serve your needs! Districts may use any of the resources from this folder at any time. If a district wants to make any edits to an existing item in the folder, they will need to complete the Resource Request form. We will continually add items to this folder, so be sure to check back often. If you would like App State to print a resource in the folder, please allow 30 days for printing and delivery of the materials. Contact Elyssee Gibson (gibsonse@appstate.edu) with any questions.

We are actively working to create additional 7th year programming materials to add to the folder.

NACAC Virtual College Fair

NACAC is hosting four virtual college fairs from September - November that will showcase over 600 institutions. There will be a counselor preview TODAY, August 19, from 2PM-6PM. Register using the link below.
