Finance Session at the Quarterly Coordinator Meeting

On Friday the 27th from 10:45 - 12:00 there will be a virtual session at the QCM specifically for IHE finance staff. The session will address the issues and questions that arose from the Q3 packet submission process. We will also address the collection and preservation of grant-required documentation as well as the Q4 spend report/reconciliation requirements.

The goal of the session is to make future submissions smoother and easier.

Please block it off on your calendar and join us @ <https://appstate.zoom.us/my/eric..klein>.

Send in Your Success Stories

You never know how your GEAR UP program or initiative might inspire another organization!

As you conduct GEAR UP programming, don't forget to snap a pic, write a few sentences about it, and send it to Eric (klinea@appstate.edu).

We'll try to include a success story in each bulletin, and those stories may also be featured on App State's [College Access Partnership's website](#).
